

16<sup>th</sup> February 2004 - 1630hrs

## PRESS RELEASE

**The Malta Association of Credit Management has introduced a new Information System to provide Law Court information to its Members at no additional fees.**

**Court cases** related to '*commercial matters*' filed in the Law Courts of Malta, together with the **Warrants** issued by the Law Courts of Malta, since **1<sup>st</sup> January 2004**, are now available to the Members of MACM from the Members' Area of the MACM website:

[www.macm.org.mt](http://www.macm.org.mt)

The following information is available:

- a. Case Number; Date of filing; Name of Plaintiff and Defendant; Claimed or Disputed Amount, ***filed at:***
  - The Small Claims Tribunal (Malta) – ***Talbiet***
  - The Civil Court of Magistrates (Malta) – ***Avvizi***
  - The Civil Court, First Hall (Malta) – ***Citazzjonijiet***
- b. Warrant Number; Type of Warrant; Debtor's Name; Amount; and Cause, ***issued by:***
  - The Civil Court of Magistrates (Malta) – ***Mandati Magisterjali***
  - The Superior Court (Malta) – ***Mandati Superjuri.***

A one comprehensive report comprising of full details of the client / debtor, together with any relative history of dishonoured cheques and late payment reported by MACM Members, and Law Courts of Malta information can now be available from the Members' Area of the MACM website.

Law Court information provided by MACM should serve as an additional valuable tool to evaluate the creditworthiness of the clients and debtors, and to monitor the risks associated with credit.
