

New Council and Officials for The Malta Association of Credit Management

Following the Annual General Meeting of MACM, the new council elected the new officials to manage the Malta Association of Credit Management for the coming two years (2009 – 2011).

In view of the current economic and financial turmoil, the primary objectives of the new Council of MACM are:

To continue supporting MACM to provide a central national organisation for the promotion and protection of all credit interest pertaining to local businesses;

- To foster and facilitate the exchange of credit information;
- To continue improving the existing services provided to MACM Members;
- To develop and introduce new credit management services that would help its Members and the local business community to secure sound cash flow and long-term profit;
- To encourage efficient service in the collection of amounts due;
- To support / oppose legislation pertaining to credit management;
- To provide education programmes that would promote good credit management practices in Malta;
