Terms of Tender

1. The subject of the present request for quotation/Tender is the procurement of the following supplies:
Supply, install, test and commission of Audiovisual Equipment, desktop connection panels and data network points (including patch panels) for lecture room at the Malta Association of Credit Management
2. The successful bidder(s) shall supply, install test and commission such supplies at the MACM Credit Centre. Mdina Bastions Buildings, N/S off Triq Mikielang Sapiano, Haz-Zebbug, Malta. Quoted prices shall be deemed to be inclusive of all costs including the **supply, install, testing and commissioning** of the said items.
3. The said supplies shall be commissioned by the following date: **31 October 2020**. The ability to deliver earlier than this deadline will be considered positively.
4. The successful bidder(s)/contractor(s) shall be held liable for any losses incurred by MACM if this deadline is not honoured as well as for any delays in the submission of delivery notes, invoices and/or receipts and due to which MACM suffers financial liability.
5. This is a unit-price for supplies contracts. Interested parties shall quote for all items which meets the requirements of this request for quotations as a whole with the quote indicating price excluding VAT, the value of the VAT and the price inclusive of VAT **using the tender bidding form provided. Its use is mandatory, and bids will be declared not administratively compliant if it is not used.**
6. **All communications shall be made in writing, using the email address in reference.** No other forms of communication shall be entertained. **Any communication shall be in English.**
7. This request for quotations/Tender is being issued under an open procedure.
8. This request for quotations/Tender is **divided into lots**. Bidders may submit a quote for one lot only, for two lots, or for all lots.
9. All bids must meet the minimum technical specifications provided. Variant solutions shall not be accepted.
10. The procurement in question forms part of a project part-financed by the SME Diversification and Innovation Grant Scheme, under the Business Enhance Initiative part-financed under Operational Programme I – *Fostering a competitive and sustainable economy to meet our challenges* through the European Regional Development Fund (ERDF) 2014-2020.
11. No clarification meeting/site visit is planned. However, requests for clarifications may be sent by email, as indicated above, by not later than five calendar days from the ‘Deadline for receipt of quotations’ indicated on the first page of this document. Replies will be published on the MACM website within 48 hours from receipt of request for clarification. No clarification will be published later than three calendar days from the deadline for the receipt of quotations.
12. Interested Parties should be aware that upon implementation (deemed commissioning of the Audiovisual Equipment to the satisfaction of MACM), the Supplier shall issue a delivery note.

Subsequently, the Supplier shall issue an invoice (distinct in form and nature from the delivery note) to request payment. The Invoice should be in line with the VAT legislation, include a description of the goods, reference to contract and delivery.

Together with the Invoice, the Supplier shall fill in the Supplier Financial Identification Form provided by MACM.

In view of the fact that this is a Business Enhance ERDF project, Cash disbursements are strictly prohibited. The total expenditure must be paid through transparent, traceable bank transactions, i.e.

either through direct bank transfer or through payments by cheque. Following Payment, the Supplier shall issue a VAT receipt and a warranty.

13. Payment terms may include a deposit upon signature of contract. However, the last payment shall be effected ONLY after successful commissioning of the system.
14. The warranty shall be for a period of three years.
15. Any quotation submitted under this request for quotations/tender shall remain valid for twelve (12) months from the deadline for the receipt of bids.
16. Interested Parties should keep in view that payments will be made through an identifiable bank account to the identified bank account of the Service Provider/Supplier as outlined in the Supplier Financial Identification Form.
17. In order to be considered eligible for the award of the contract, economic operators must provide evidence that they meet or exceed certain minimum criteria described hereunder.
18. MACM intends to procure the said supplies from the interested parties submitting the cheapest priced offer for each lot satisfying the minimum technical requirements. Bidders shall take the following points into consideration:
 - a) The cost of any operating system/software, including its installation, shall be part included in the price, and not quoted separately.
 - b) Insofar as applicable, Bidders shall ensure that system has the lowest environmental footprint possible. This shall include, but not be limited to energy consumption of the resources used by the system.

Each lot will be considered separately

19. Without prejudice to the above, MACM. reserves the right to opt in favour of **an offer that is dearer than the cheapest technically compliant offer**. As each lot will be considered separately, MACM may procure one lot from one bidder, a second lot from another bidder, and a third lot from a third bidder. Nothing shall preclude MACM's flexibility in this regard.
20. Without prejudice to any other clause in this request for quotations/Tender, MACM. **may for any reason whatsoever, and without any liability whatsoever, cancel the present procurement exercise at any point in time** prior to the signature of contract with the selected bidder(s).
